

Department of Health

Aishwarya's
CARE Call

Are you
worried?
Don't wait!

If your child seems sicker, tell us now.

Worried your child is getting worse? Tell us.

Still worried? Tell a senior staff member.

If you need help urgently, call your hospital's Aishwarya's CARE Call line or use the Aishwarya's CARE Call phone installed in some emergency departments.

You know yourself and your mob best. **We will listen to you.**
