

# Disability Health Network Focus of Influence 2021 - 2022

## Vision

An inclusive Western Australian health system that empowers people with disability to enjoy the highest attainable standard of health and wellbeing throughout their life

## Goals

- Recognise the right to effective services and care for people with disability
- Foster a broader understanding of the health needs of people with disability
- Improve the quality, accessibility, inclusiveness and coordination of services necessary to meet the health needs of people with disability

## Sustainable Health Review

### Strategy 1 Commit and collaborate to address major public health issues

#### Recommendation 3

Reduce inequity in health outcomes and access to care with focus on :

- c) People living in low socioeconomic conditions

#### State Disability Strategy Action Plan

- Oral Health
- Ready To Go Home
- Inclusive Health Care

#### WAPHA Health Pathways - Disability Pathway

#### International Day of People with Disability 2021
