

## Messages in Indigenous language

English transcript

---

### Phase 4 update

WA Government is still making sure we are safe from Corona.

Only people with special permission can come to WA.

Most people coming to WA have to stay in one place away from other people for two weeks and be tested for Corona.

Truck drivers coming to WA are tested for Corona every seven days, to make sure they don't bring Corona with them.

Premier Mark McGowan says we still need to be careful of Corona.

Keep washing your hands all the time and stay away from others if you are sick.

This is a WA Government message spoken by Aboriginal Interpreting WA.

### Acknowledgement of Country

The Government of Western Australia acknowledges the traditional custodians throughout Western Australia and their continuing connection to the land, waters and community. We pay our respects to all members of the Aboriginal communities and their cultures; and to Elders both past and present.
