

## Avaya Workplace Quick Start Guide

## Joining a meeting via a web browser on desktop and Macintosh (Mac) computers

PLEASE NOTE: you do not need to download the Avaya Workplace application to join a meeting via your web browser.

- 1. Open your web browser (the following versions or higher are required):
  - \*\*Safari is not supported\*\*
  - a. Google Chrome version 89. +
  - b. Fire Fox version 89. +
  - c. Edge Chromium 89. +
- 2. Copy and paste or type the following URL into your browser: <u>https://telehealth.health.wa.gov.au/portal/tenants/wahealth</u>
- 3. Type in your name and meeting ID and click **Join with Browser** to join the meeting through your Web Browser.

Let's get into this meeting!
