# Aishwarya's CARE Call

# Are you worried? Don't wait!

If you or one of your mob gets sicker, tell us now.

Worried that you or one of your mob is getting worse? Tell us.

Still worried? Tell a senior staff member.

If you need help urgently, call your hospital's Aishwarya's CARE Call line or use the Aishwarya's CARE Call phone installed in some emergency departments.

You know yourself and your mob best. **We will listen to you.**
